COMUNELLO
GATE DIVISION

Tutto, di più e meglio.

A huge range of the finest products.

La storica **Divisione Gate** di Comunello propone da sempre sul **mercato nazionale ed internazionale** la più vasta gamma di componenti per cancelli scorrevoli e portoni industriali dai più leggeri ai più pesanti e dai più piccoli ai più grandi. La più ampia scelta di misure e l'impiego di materiali come alluminio ferro ed acciaio inox completano il valore di un'offerta davvero unica ed in grado di rispondere alle **esigenze di tutte le tipologie** di apertura di qualunque dimensione esse siano.

*The Comunello **Gate Division** has built a reputation in Italy and across the world for providing the widest range of components for sliding gates and industrial doors of all weights and all sizes. Our vast range of solutions and use of high quality materials including stainless steel and aluminium bring real value to a product offering which is truly unique and which delivers solutions for **all gate types**, whatever the size.*

Il rapporto tra dimensione...e resistenza

The relationship between size and resistance

3 scelte di dimensione 3 different size options

Pioniere nella produzione di componenti per cancelli autoportanti, Comunello ha concepito e sviluppato tre misure di carrelli, e cioè **Mini Piccolo e Grande**, per consentire la progettazione di ogni tipo di cancello. Ogni misura è corredata da una gamma completa di accessori.

*As pioneers in the production of cantilever gates, Comunello has designed and developed three rack sizes, **Mini, Piccolo & Grande**, allowing total freedom of design for every gate type. A complete set of accessories is available for each rack size.*

3 livelli di resistenza 3 levels of resistance

Per ogni misura di carrello esistono tre livelli di resistenza: **Regular, High e Max**. Riducendo l'interasse tra i carrelli, la forza su ogni carrello per reggere il cancello autoportante aumenta progressivamente.

*Each rack is available with three resistance levels, **Regular, High & Max**. Reducing the rack wheelbase produces a progressive increase in the forces required to support the gate.*

Configuratore online

Web Configurator

Sempre al passo coi tempi e con le nuove tecnologie digitali, l'azienda ha creato delle speciali **applicazioni web-based**, utilizzabili anche da dispositivi mobili quali smartphone e tablet. Tali applicativi, caratterizzati da un approccio semplice ed intuitivo, consentono una selezione precisa dei prodotti Comunello Gate Division inserendo alcuni dati di base come: **la misura, il peso e le dimensioni del cancello**. I configuratori sono differenziati nelle principali aree funzionali di impiego degli accessori per cancello: cancello cantilever, cancello scorrevole, cancello battente.

*Comunello is committed to remaining at the forefront of technological and digital evolution and has developed a range of **web-based applications** for use across all mobile devices and platforms. These apps are designed to be easy and intuitive to use and provide access to the full range of Comunello products simply by entering a few key pieces of information on **gate size, weight and dimensions**. Configurators are available for all gate types: Cantilever, Sliding and Swing.*

1. GENERALITA'

1.1 Il presente documento si rivolge ai clienti (di seguito "Clienti") di FRATELLI COMUNELLO SPA (di seguito solo COMUNELLO) con esso si intendono rendere note le condizioni contrattuali che COMUNELLO applicherà in tutte le vendite dei propri prodotti (di seguito CONDIZIONI GENERALI DI VENDITA), salvo diverse specifiche pattuizioni in deroga a quanto qui riportato, trattasi, in ogni caso, di condizioni che risultano vincolanti ed efficaci tra le parti ai sensi dell'art. 1341 Codice Civile.

1.2. COMUNELLO applica in tutti i rapporti contrattuali di vendita dei propri prodotti la legge italiana, salvo apposite deroghe che dovranno essere concordate e provate per iscritto

1.3 Le Condizioni Generali di Vendita qui riportate si riferiscono esclusivamente ai prodotti portanti il marchio COMUNELLO (di seguito "Prodotti").

2. OFFERTE – PREVENTIVI

2.1 Le offerte formulate da COMUNELLO ai propri Clienti conservano efficacia per un periodo massimo di 20 (venti) giorni dalla data di invio delle stesse, in ogni caso dovranno essere formalizzate per iscritto, anche a mezzo mail.

2.2. Decorso tale termine l'offerta formulata da COMUNELLO dovrà ritenersi decaduta e non accettabile da parte del CLIENTE, salvo diverso specifico accordo scritto tra le parti contrattuali

3. ORDINI

3.1 Gli ordini d'acquisto sottoscritti dai Clienti ed indirizzati a COMUNELLO dovranno essere confermati mediante apposito modulo predisposto da COMUNELLO (conferma d'ordine), che ciascun Cliente dovrà ritrasmettere a quest'ultima società, indicando, con precisione, il quantitativo della merce compravenduta e le ulteriori caratteristiche dei prodotti richiesti, previa apposizione della firma.

3.2 Il contratto d'acquisto si intende perfezionato e vincolante tra le parti mediante:

a) conferma dell'ordine d'acquisto da parte di FRATELLI COMUNELLO SPA;
b) con l'esecuzione materiale dell'ordine d'acquisto da parte di FRATELLI COMUNELLO, purché rispettoso del contenuto della vendita conclusa tra le parti.

3.3 Qualsiasi modifica o integrazione di singole disposizioni delle Condizioni Generali di Vendita o dell'ordine d'acquisto sono prive di efficacia se non sono state approvate per iscritto da COMUNELLO SPA. In caso di modifiche all'ordine d'acquisto, intervenute successivamente all'inoltro del modulo indicato al punto 3.1., le stesse non potranno considerarsi efficaci se nel frattempo COMUNELLO ha accettato l'ordine o vi ha dato esecuzione anche parziale. COMUNELLO si riserva comunque il diritto di annullare l'ordine d'acquisto originario e di sospendere l'esecuzione di quello in corso, chiedendo il risarcimento dei danni.

3.4 La data di consegna dei Prodotti indicata negli ordini d'acquisto ha sempre e comunque valore indicativo e l'eventuale ritardo rispetto a tale termine, per un periodo non superiore a giorni 30, non potrà mai costituire ragione per il CLIENTE affinché questi possa avanzare pretese risarcitorie nei confronti di COMUNELLO o per risolvere il rapporto contrattuale.

In particolare COMUNELLO si riserva la facoltà di prorogare i termini di consegna per caso fortuito o forza maggiore o comunque per eventi non prevedibili al momento della conclusione della vendita (ad esempio, per difficoltà di approvvigionamenti di materie prime e componenti); qualora prima della consegna del materiale il CLIENTE versi in una situazione di difficoltà finanziaria o comunque modifichi la propria forma giuridica, COMUNELLO potrà procedere alla sospensione dell'esecuzione del rapporto contrattuale interrompendone immediatamente l'esecuzione, ed eventualmente risolvendo il contratto.-

6. PAGAMENTO

6.1 Il pagamento del Prezzo dovrà avvenire entro il termine pattuito tra le parti contraenti. Il mancato pagamento del Prezzo entro il termine convenuto determinerà la decorrenza di interessi per il ritardo di pagamento nelle transazioni commerciali, nella misura prevista dal D.Lgs. n. 231 del 9.10.2002 e successive modifiche ed integrazioni.
